SELECT BIBLIOGRAPHY	383
INDEX OF CORRESPONDENTS	389
GENERAL INDEX	391

¹ Clarke's notebooks were not allocated these numbers until, many years after his death, they had become the property of Worcester College, Oxford. Clarke himself seems to have arranged his working notebooks by size and date. There is no shorthand in Notebooks XXI and XXIII. Dates refer to the time-span of the selected documents presented in this volume, and not to the coverage of each entire notebook.
