## PART I REGULATORY ISSUES

### I. EU LAW GOVERNING THE INFORMATION SOCIETY

A. Overview .....	1-001
B. Evolution of EU Information Society Policy .....	1-002
1. The progressive liberalisation and harmonisation of telecommunications infrastructures and services .....	1-002
2. From the Lisbon Strategy to the Digital Single Market .....	1-010
(a) First steps: From 2000 Lisbon Strategy and eEurope Action Plan to Renewed Lisbon Strategy 2005 and i2010 Strategy .....	1-010
(b) 2010: The Europe 2020 Strategy and the Digital Agenda for Europe .....	1-012
(c) 2015: the Digital Single Market Strategy for Europe ..	1-014
C. Policy and Regulatory Techniques for the EU Information Society Policy .....	1-021
1. Unification or Harmonisation of National Rules—EU Instruments available .....	1-021
(a) EU Legal Instruments .....	1-021
(b) Objectives of and Principles for Legal Instruments ....	1-023
2. EU procedural rules: Unification or harmonisation of enforcement .....	1-028
3. Non regulatory techniques to reduce national divergences .	1-031

### II. THE REGULATION OF ELECTRONIC COMMUNICATIONS NETWORKS AND SERVICES

A. Scope, Objectives and Principles .....	2-003
1. Scope .....	2-003
2. Policy objectives .....	2-014
3. Regulatory principles .....	2-021
B. Institutional Framework .....	2-028
1. National level .....	2-029
(a) National regulatory and other competent authorities ..	2-029
(b) Operations of the NRAs and other competent authorities .....	2-038
(c) Appeal bodies and courts .....	2-044
2. Coordination institutions at the EU level .....	2-048

	(a) European Commission .....	2-048
	(b) The Communication Committee ("COCOM") and the Radio Spectrum Committee ("RSC") .....	2-050
	(c) Radio Spectrum Policy Group ("RSPG") .....	2-052
	(d) Body of European Regulators for Electronic Communications ("BEREC") .....	2-055
	3. Coordination procedures at the EU level .....	2-061
C.	Rules Governing Market Entry .....	2-068
	1. General authorisation to operate electronic communications networks and services .....	2-069
	2. Access to land .....	2-077
	3. Access to radio spectrum .....	2-085
	(a) Allocation of radio spectrum .....	2-086
	(b) Principles of radio spectrum management .....	2-095
	(c) Assignment of radio spectrum: national procedures ...	2-099
	(d) Assignment of radio spectrum: internal market procedures .....	2-109
	(e) Unlicensed spectrum .....	2-116
	4. Access to numbering resources .....	2-117
	(a) Numbers management .....	2-117
	(b) Individual rights of use for numbering resources .....	2-121
D.	Rules to Promote Competition: Making Markets Work Better ...	2-125
	1. Symmetric regulation .....	2-126
	(a) Interconnection and interoperability .....	2-128
	(b) Access to network elements not easily duplicable .....	2-133
	(c) Access to digital radio and television broadcasting services .....	2-139
	2. Asymmetric regulation .....	2-140
	(a) Market analysis and the designation of the SMP operators .....	2-141
	(b) Imposition of regulatory obligations .....	2-147
	(c) Wholesale behavioural obligations .....	2-150
	(d) Wholesale structural obligations .....	2-165
	(e) Retail obligations .....	2-168
	3. Mechanisms to consolidate the internal market .....	2-170
E.	Universal Service and other Services of General Economic Interest .....	2-176
	1. European universal service .....	2-177
	(a) The scope of universal service .....	2-177
	(b) The financing of universal services .....	2-188
	2. Additional mandatory services at the national level .....	2-193
	3. Access to specified radio and television broadcast channels and services—"must carry" obligations .....	2-195
F.	End-users Rights, Consumer Protection and Security .....	2-197
	(a) Scope .....	2-198
	(b) Internal market and fundamental rights .....	2-202
	(c) Empowering consumers: informed choices .....	2-206
	(d) Empowering consumers: free choice and switching .....	2-211
	(e) Helping end-users to control their bills .....	2-217
	(f) Protecting end-user rights in emergency situations .....	2-219
	(g) Protection of end-users from security incidents .....	2-223
	(h) Protecting end-users with disabilities .....	2-226

(i) Alternative dispute resolution .....	2-227
G. Specific Regulation of Net Neutrality .....	2-228
H. Specific Regulation of Intra-EU International Roaming Services and Communications .....	2-233
1. Regulation of intra-EU international roaming services .....	2-234
(a) Measures to increase competition .....	2-234
(b) Price Regulation .....	2-238
(c) Enforcement .....	2-245
2. Regulation of intra-EU communications .....	2-246

### III. ONLINE PLATFORMS AND SERVICES

A. Different Categories of Online Services .....	3-002
1. Online services in general .....	3-003
(a) Information society services .....	3-003
(b) Collaborative economy platforms .....	3-008
2. Specific categories of online services .....	3-011
B. Authorisation and Free Movement .....	3-018
C. Obligations of Online Platforms .....	3-026
1. General obligations applicable to online platforms providing information society services .....	3-027
(a) Transparency .....	3-027
(b) Non-discrimination .....	3-029
(c) Electronic contracts and commercial communications .....	3-036
2. Additional specific obligations applicable to online platforms providing intermediation services and search engines .....	3-039
(a) Additional transparency obligations applicable to intermediation services .....	3-040
(b) Additional transparency obligations applicable to online search engines .....	3-048
D. Liability of Online Platforms .....	3-049
1. General liability regime .....	3-050
(a) Liability exemption for providers of intermediary services .....	3-050
(b) Mere conduit and caching services .....	3-052
(c) Hosting services .....	3-057
(d) Monitoring .....	3-065
2. Evolution of the general liability regime .....	3-070
(a) Commission Communication of September 2017 .....	3-072
(b) Commission Recommendation of March 2018 .....	3-079
3. Sector-specific liability regimes .....	3-084
E. Self- and Co-regulation .....	3-088
F. Enforcement .....	3-095
1. National level .....	3-096
2. European level .....	3-101

### IV. THE EU REGULATORY FRAMEWORK APPLICABLE TO AUDIOVISUAL MEDIA SERVICES

A. Overview .....	4-001
-------------------	-------

Introduction .....	4-001
B. Limitations on Member States' Action as a Result of the Rules on Free Movement .....	4-004
1. Free movement of services (art.56) .....	4-005
2. Free movement of goods (art.34) .....	4-014
3. Freedom of establishment (art.49) .....	4-018
C. Audiovisual Media Services Directive .....	4-021
1. Background, history and context .....	4-021
2. Material scope of the AVMS Directive .....	4-027
(a) General delineation .....	4-027
(b) Legal definitions .....	4-033
3. Territorial scope of the AVMS Directive .....	4-051
(a) Jurisdiction .....	4-051
(b) Country of origin .....	4-057
4. Rules for audiovisual media services .....	4-070
(a) General provisions .....	4-070
(b) Programme requirements .....	4-076
(c) Rules on audiovisual commercial communication .....	4-091
(d) Restrictions on exclusive rights and access to content .....	4-124
(e) Right of reply in television broadcasting .....	4-139
5. Rules for video-sharing platform services .....	4-140
6. Institutional aspects .....	4-146
(a) Contact Committee .....	4-147
(b) National Regulatory Authorities .....	4-149
(c) ERGA .....	4-156
7. Final remarks .....	
D. Distribution of Audiovisual Media Services .....	4-164
1. Introduction .....	4-164
2. "Must carry" obligations .....	4-166
3. Conditional access systems .....	4-175
E. Copyright Aspects of Broadcasting .....	4-192
V. PRIVACY AND DATA PROTECTION	
A. Overview .....	5-001
B. Processing of Personal Data (General Data Protection Regulation) .....	5-009
1. Scope and basic concepts .....	5-009
2. Principles relating to personal data processing .....	5-014
3. Obligations of data controllers and processors .....	5-022
4. Data subject rights .....	5-030
5. Supervision and enforcement .....	5-037
6. Personal data transfers to countries outside the Union .....	5-041
C. Specific Framework on Privacy and Electronic Communications (E-Privacy) .....	5-046
1. Introduction .....	5-046
2. Specific Regime for confidentiality and data protection under the E-Privacy Legislation .....	5-048
3. Specific frameworks for data protection assessments .....	5-065
4. Security and data breach notification .....	5-067
D. Data Retention .....	5-076

E. Remedies for Breach of Privacy and Data Protection	
Requirements .....	5-089

## VI. SECURITY AND INCIDENT REPORTING REQUIREMENTS

A. Introduction .....	6-001
B. Security of Personal Data (GDPR) .....	6-005
1. Principles and allocation of responsibilities .....	6-005
2. Evaluation of risks and appropriate security measures .....	6-010
3. Data protection impact assessment .....	6-012
4. Notification and communication of security breaches .....	6-016
C. Security of Network and Information Systems (NIS Directive) .	6-020
1. Identification of undertakings subject to security obligations .....	6-021
2. Security obligations .....	6-025
3. Institutions .....	6-031
D. EU Cybersecurity Agency and European Certification (Cybersecurity Act) .....	6-034
1. The EU Cybersecurity Agency (ENISA) .....	6-035
2. The EU cybersecurity certification framework .....	6-039

## VII. CONSUMER RIGHTS AND THE DIGITAL MARKET

A. The EU Consumer Acquis and its Rationale .....	7-001
B. Objectives and Scope of the EU Consumer Protection Rules .....	7-008
1. Objectives of the EU consumer protection rules .....	7-008
2. Scope of the EU consumer protection rules .....	7-011
C. Protection Measures Imposed by the Directives .....	7-021
1. Prohibition of unfair contract terms .....	7-022
2. Prohibition of unfair commercial practices .....	7-026
3. Information duties and formal requirements .....	7-037
4. Right of withdrawal .....	7-042
5. Other consumer rights and prohibition of specific practices .....	7-045

## VIII. INTELLECTUAL PROPERTY RIGHTS: COPYRIGHT AND TRADEMARK ISSUES

A. Copyright Law .....	8-001
1. Core concepts of copyright law .....	8-002
(a) The realm of copyright law .....	8-002
(b) Object and conditions of protection .....	8-006
(c) Moral rights .....	8-013
(d) Economic rights .....	8-017
(e) Exceptions and limitations to exclusive rights .....	8-021
2. Relevant Capita Selecta .....	8-025
(a) Communication to the Public and Making Available ..	8-025
(b) Linking and framing .....	8-031
(c) Exception for technical incidental copies .....	8-035
(d) Private copy exception .....	8-042
(e) Quotation exception .....	8-047
(f) Other internet-relevant exceptions .....	8-050
(g) Digital libraries .....	8-059

(h) Protection for technological measures .....	8-064
(i) Intervention by intermediaries .....	8-070
3. Protection for computer programs .....	8-076
4. Protection for databases .....	8-081
(a) Original databases .....	8-081
(b) Non-original databases .....	8-085
5. Cross-border portability of online content services .....	8-091
B. Trademark and Domain Name Issues .....	8-093
1. Trademark law: the basics .....	8-093
(a) General principles .....	8-093
(b) Internet-related conflicts .....	8-102
2. Conflicts with domain names .....	8-107
C. Enforcement Issues .....	8-112

## PART II COMPETITION LAW ISSUES

### IX. ANTI-COMPETITIVE AGREEMENTS AND PRACTICES

A. Overview .....	9-001
B. Article 101(1) .....	9-002
1. Agreement, decision or concerted practice between undertakings .....	9-005
2. Object or effect of preventing, restricting or distorting competition .....	9-011
3. Appreciable restriction on competition and the De Minimis Notice .....	9-014
(a) De Minimis Notice .....	9-017
4. Appreciable effect on trade between Member States .....	9-020
5. Consequences of an infringement of art.101(1) .....	9-023
6. Territorial scope of art.101(1) .....	9-028
C. Article 101(3) .....	9-030
1. Conditions for exemption .....	9-030
2. History of art.101(3) .....	9-033
D. Horizontal Agreements and Concerted Practices .....	9-037
1. Cartel-type activity .....	9-039
(a) Price-fixing .....	9-041
(b) Market sharing agreements .....	9-045
(c) Bid rigging .....	9-050
(d) Collective boycott/approach to counterparties .....	9-052
(e) Other cases of anti-competitive conduct .....	9-056
2. Exchange of confidential information .....	9-059
(a) What is confidential information in this context? .....	9-060
(b) Information exchange between competitors .....	9-065
(c) Hub and spoke arrangements .....	9-068
3. Other horizontal agreements between competitors .....	9-074
(a) Infrastructure sharing .....	9-076
(b) Restriction on access to facilities .....	9-083
(c) Technical and quality standards .....	9-085
(d) Roaming agreements .....	9-094
(e) Preferential arrangements .....	9-097
E. Vertical agreements in the e-commerce sector .....	9-102
1. Resale price maintenance .....	9-107

2.	Most favoured nation clauses .....	9-115
3.	Other restrictions on online selling .....	9-122
F.	Exploitation and licensing of content rights .....	9-130
1.	Collective selling of broadcasting rights .....	9-130
2.	Exclusive territorial licensing of content .....	9-139
3.	Collective purchasing of rights .....	9-156

## X. ARTICLE 102—ABUSE OF A DOMINANT POSITION

A.	Overview .....	10-001
1.	Article 102—market context .....	10-003
2.	The Commission's art.102 enforcement priorities guidance .....	10-007
3.	Consequences of breaching art.102 .....	10-009
B.	Establishing Dominance .....	10-010
1.	The relevant market .....	10-013
2.	Factors relevant to the assessment of dominance .....	10-016
(a)	Market shares .....	10-017
(b)	Barriers to entry .....	10-020
(c)	Legal or de facto monopolies .....	10-024
(d)	Economic advantages and network effects .....	10-027
(e)	"Big data" .....	10-032
3.	Monopsony—dominance as a purchaser .....	10-039
4.	Joint or collective dominance .....	10-041
C.	Abuse of Dominance .....	10-043
1.	Objective justification and efficiencies .....	10-046
D.	Pricing Abuses .....	10-049
1.	Excessive pricing .....	10-049
2.	Predatory pricing .....	10-055
3.	Discriminatory pricing .....	10-060
4.	Rebates and discounts .....	10-066
5.	Exclusive dealing and long-term contracts .....	10-070
E.	Margin Squeeze .....	10-075
F.	Refusal to Supply, Refusing Access to Essential Facilities and Refusal to License Intellectual Property Rights .....	10-084
1.	Refusal to supply or refusal to deal .....	10-086
2.	Refusal of access to essential facilities .....	10-094
3.	Licensing of intellectual property rights .....	10-103
G.	Tying and Bundling .....	10-116
H.	Other Types of Abuse .....	10-122

## XI. MERGERS, JOINT VENTURES AND STRATEGIC ALLIANCES

A.	Outline of the Chapter .....	11-001
B.	Historical Background to the EU Merger Regulation .....	11-003
C.	Application of the EU Merger Regulation: Concentrations with a Union Dimension .....	11-008
	The concept of concentration .....	11-009
1.	Acquisition of control: basic concepts .....	11-010
2.	Acquisition of sole control .....	11-029
3.	Acquisition of joint control .....	11-034
4.	Full-function joint ventures .....	11-040
5.	Transactions that are not concentrations .....	11-049

Union dimension .....	11-050
1. Turnover thresholds .....	11-051
2. Undertakings concerned .....	11-054
3. Calculation of turnover .....	11-063
D. The “One Stop Shop” Principle and the Reallocation of Jurisdiction Between the Commission and National Competition Authorities .....	11-069
The “one stop shop” principle .....	11-069
Referral of all or part of a concentration from the Commission to a national competition authority .....	11-071
1. Pre-notification referral of jurisdiction to a national competition authority .....	11-072
2. Post-notification referral of jurisdiction to a national competition authority .....	11-077
Referral of a concentration from a national competition authority to the Commission .....	11-086
1. Pre-notification referral of jurisdiction to the Commission .....	11-087
2. Post-notification referral of jurisdiction to the Commission .....	11-093
3. Possible reform to the referral procedures .....	11-098
Protection of Member States’ legitimate national interests .....	11-099
E. Procedural Aspects .....	11-104
Notification obligation .....	11-105
Suspension obligation .....	11-111
Investigation by the Commission .....	11-115
F. Substantive Assessment of Concentrations .....	11-125
Substantive test: significant impediment to effective competition .....	11-125
Standard and burden of proof .....	11-130
Overview of the framework for the substantive analysis of mergers .....	11-142
Market definition .....	11-147
1. Analytical approach to market definition .....	11-152
2. Product market definition .....	11-157
Geographic market definition .....	11-166
3. Commission practice in defining relevant markets .....	11-171
The counterfactual .....	11-197
Horizontal mergers .....	11-205
(a) General principles in analysing horizontal mergers ....	11-210
(b) Non-coordinated (or unilateral) effects of horizontal mergers: principles .....	11-217
Creation or strengthening of a dominant position .....	11-220
(a) Non-coordinated or unilateral effects .....	11-238
(b) Coordinated effects of horizontal mergers .....	11-285
(c) Countervailing factors in horizontal mergers .....	11-298
Non-horizontal mergers .....	11-320
(a) Overview .....	11-320
(b) Input foreclosure effects of vertical mergers .....	11-328
(c) Customer foreclosure effects of vertical mergers .....	11-375
(d) Foreclosure effects of conglomerate mergers .....	11-386
(e) Coordinated effects of non-horizontal mergers .....	11-406

Assessment of “spill-over” effects of full-function joint ventures .....	11-408
G. The Commission’s Substantive Decision-Making Powers .....	11-414
Prohibition of a concentration .....	11-417
Merger remedies .....	11-421
(a) Procedure for the proposal, assessment and acceptance of remedies .....	11-424
(b) Implementation of commitments .....	11-439
(c) Types of commitments .....	11-443
(d) Commission practice in relation to commitments .....	11-448
Fines and periodic penalty payments for infringements of the EU Merger Regulation .....	11-474
H. Ancillary Restraints .....	11-481
I. Review of transactions that are not concentrations with a Union dimension .....	11-495
Review by the Commission of the acquisition of a minority shareholding .....	11-497
Review under national merger control legislation .....	11-500
Application of arts 101 and 102 TFEU and equivalent provisions of national competition law .....	11-506

## XII. STATE AID

A. Introduction .....	12-001
B. State Aid: Basic Substantive and Procedural Rules .....	12-007
1. The cumulative criteria for finding state aid within the meaning of art.107(1) .....	12-007
2. Derogations under arts 107(2) and (3) .....	12-029
3. Derogation under art.106(2) .....	12-038
4. State aid procedure .....	12-044
5. Rights and remedies of interested parties .....	12-054
C. State Support of Broadband Projects .....	12-063
1. Overview .....	12-063
2. Presence of aid .....	12-068
(a) Cumulative criteria for finding state aid .....	12-068
(b) Broadband specificities regarding the presence of aid .....	12-070
3. Compatibility of state aid for broadband .....	12-076
(a) Contribution to the achievement of objectives of common interest .....	12-080
(b) Absence of market delivery due to market failures or important inequalities .....	12-081
(c) Appropriateness of state aid as a policy instrument ....	12-082
(d) Incentive effect .....	12-084
(e) Proportionality (aid limited to the minimum necessary) .....	12-087
(f) Transparency .....	12-165
(g) Limited negative effects .....	12-167
(h) Ex post evaluation .....	12-169
(i) Overall balancing exercise: positive effects of the aid can be expected to outweigh potential negative effects .....	12-172

D.	State Aid Policy and Radio Frequency Management .....	12-174
1.	Introduction .....	12-174
(a)	Digital Dividend .....	12-175
(b)	The 2017 decision for the migration from the 700MHz band .....	12-180
2.	Existence of aid and the cumulative criteria .....	12-184
3.	Compatibility of the aid .....	12-206
(a)	Compatibility for aid having a social character .....	12-207
(b)	Compatibility under art.107(3)(c) TFEU .....	12-213
(c)	Incompatibility of the aid .....	12-219
4.	Conclusion .....	12-230
E.	State Support of Public Service Broadcasting .....	12-238
1.	Short historic overview of state aid policy in broadcasting .	12-238
2.	Determining the existence and compatibility of aid: a three-step process .....	12-245
(a)	The existence of aid with regards to public broadcasting .....	12-249
(b)	Compatibility of the aid .....	12-260
3.	Outlook .....	12-293
F.	Public Financing of Audiovisual Works .....	12-296
1.	Introduction .....	12-296
2.	The state aid legal framework .....	12-300
(a)	The Cinema Communication and the General Block Exemption Regulation .....	12-301
(b)	The criteria of the Cinema Communication and of the GBER .....	12-302
(c)	State aid decision-practice .....	12-303
3.	Cross-border video-on-demand services and state aid rules .....	12-316
4.	Assessment of support for video games .....	12-320
<i>Index</i> .....		999
